# Projects and Initiatives

## **PATHWAYS Program:**

**The AbbyPD Gang Intervention Team (GIT), PATHWAYS is designed to prevent at-risk youth and young adults from gang involvement.**

### **3-pillar approach:**

- **Community engagement**- Creating relationships with key community organizations with a goal of knowledge sharing.
- **Prevention**- Educating families to recognize the risk factors and understand the links between different forms of violence so they can respond before it's too late.
- **Intervention**- Work done with youths and young adults and their families, to divert the youths before they become involved with, or are recruited by gangs.

### **Intervention Data:**

- **90 at-risk youth and young adults referred to the Pathways program over 5 years.**
- **Referrals received from parents, school, community organizations and internally from AbbyPD members.**

**Initially funded through the Provincial Guns and Gangs Violence Action Fund (GGVAF), PATHWAYS is now funded by the Federal Building Safer Communities Fund (BCSF) until March 2026.**
